SUMMARY

I am graduating from an IT Engineering program and am looking for a role where I can grow and use my skills. I am a Full-Stack Developer with 1+ year of experience in Full-Stack development. I have the Ability to adapt to change with ease. I am excited to learn innovative technologies and contribute to the success of the company.

EDUCATION

- **Dr. A.P.J. Abdul Kalam Technical University** Kanpur, India
Bachelor of Technology - Information Technology *August 2019 - May 2023*

SKILLS SUMMARY

- **Languages:** C++, OOPs, Data Structure and Algorithm, SQL
- **Web Development:** React, Bootstrap, HTML, CSS, Javascript, Redux, NodeJS, Express
- **Tools/Platforms:** VS Code, GIT, Github, Atom, Linux, Web, Windows, Postman, Bitbucket
- **Soft Skills:** Leadership, Event Management, Writing, Problem Solving, Time Management

EXPERIENCE

- **EMSEC Pvt. Ltd.** Remote
Software Developer (Internship) *March 2023 - Present*
 - Built a backend API using Express to provide seamless communication between the front-end and the database.
 - Developed and deployed several web applications using popular JS frameworks like **React JS**.
 - Created reusable components using React JS to improve development efficiency and maintainability.
 - Build the UI using reusable component and implement APIs using **Axios**.
 - Utilized Git for version control to manage changes and collaborate effectively with team members.
- **Zust Web OPC Pvt. Ltd.** Remote
Frontend Developer (Internship) *May 2022 - July 2022*
 - Developing new responsive web applications and maintaining existing web applications using **HTML, CSS, JavaScript** and **React.js**.
 - Working with the design team to ensure that the user interface is aesthetically pleasing.
 - From using APIs to integration of different services into the website, to creating dynamic user interfaces with JavaScript, I was able to learn a wide range of skills.
 - Proficiency working on **RESTFUL APIs**.
 - Collaborating with other engineers to ensure the application meets all user requirements.
 - Proficiency working on State management library **Redux**.

PROJECTS

- **Mail-Karo: DEMO**
 - **User Authentication:** Users will be able to create accounts and log in to access the chatbox. This will ensure that messages are secure and only visible to authorized users.
 - **Inbox and Message Threads:** Users will have an inbox where they can see a list of their ongoing conversations. Clicking on a conversation will open the message thread, displaying the messages exchanged between the users.
 - **Composing and Sending Messages:** Users will be able to compose messages, add recipients, and send them. The chatbox should support both plain text and rich text formatting options (such as bold, italics, bullet points, etc.) to enhance the message content.
 - Implemented **GET/POST/PUT** requests to **firebase** in order to retrieve user-specific information for each user
 - Frontend used HTML, CSS, Javascript, React, Redux and Bootstrap
- **Netflix-clone: DEMO**
 - Users would be able to browse a library of movies and TV shows, filtered by categories such as trending, popular, and new releases.
 - The application would include a video player for users to watch movies and TV shows on the platform.
 - Users would be able to create and manage their watchlists, save their favorite shows and movies.
 - The application would be optimized for different screen sizes and devices to ensure a seamless user experience on desktop and mobile devices.

CERTIFICATION

- **Cisco Educational Academy on JavaScript Essentials, July 2022:**
 - Understands the fundamentals of JavaScript and the way they are used in web development.
 - Learned the essential concepts of programming, including variables, data structures, algorithms, control flow, functions, and exceptions.

VOLUNTEER EXPERIENCE

- Event Co-ordinator of Annual Sports Fest of College (AAVEG) Kanpur, India.
- Volunteered for institute parades and social service campaigns.
- Led the group of students responsible for working on different verticals of the group like management, technical, editorial.
